

Welcome to the first issue of your wine club newsletter.
Our intention is to inform you of future events and reflect on recent club events.

Back in January, 2012 opened at Jenke Vineyards with Kym Jenke hosting what is becoming the traditional opening to the club year.

Graeme Hicks and Ian Schwarz enjoying TeAro's popular "Jokers Grin"

Kym took advantage of the extended daylight of January to present a selection of his wines on the banks of the river.

A short meeting resolved to operate the club with a committee of four with Jeff Phillips, Peter Frick, Steve Blee and Kym Jenke agreeing to steer the club on its new direction.

Since then we have experienced the hospitality of Linfield Road, Gomersal and TeAro.

We have been spoilt these last months with fabulous food, excellent wines and great discounts from our hosts.

Not only that, with the generosity of our hosts, some lucky members have taken home some great wine prizes, just for turning up!
