

Bruce Thiele Red Wine Club

The year has nearly come to an end and the committee are looking to next year to bring you some great events. Our aim is to balance the away events with home events at Rowland Flat. We welcome input by members so that we are providing the sort of events our members enjoy!

Oct - Nov 2013

Home Event

Our youngest member approached the committee to present a blind tasting similar to the style Bruce was so skilled at presenting.

Mitchell Asser sourced seven wines from regions around South Australia.

We sampled wines from Kangaroo Island and Southern Flinders as well as the well known major wine districts. Mitch did a great job, even sourcing tasting notes for the wines.

Great hospitality at TeAro

The family team at TeAro in Williamstown showed the brilliant hospitality which keeps us coming back! Rosies Kitchen provided the meal to compliment the TeAro wines selected by Kelly and the team.

There's a story behind all the TeAro wines including the Pump Jack Cabernet. We were treated to a tasting of the museum stock of this wine from 2008.

Would you like a particular grape variety or wine-maker to be the subject of one of our home events? Contact Ian Cooper on 8522 1655 or ian.cooper@adelaide.edu.au

Tony Impett gets a generous plate of roast lamb and vegetables from the Rosies Kitchen team.
